

# 2018 Adult Intermediate & Advanced Hockey Camp

**Hockey Educational Systems** is again proud to offer our Adult Intermediate & Advanced Hockey Camp for both men and women. This series of classes is designed to build on skills of the more experienced adult hockey player and will challenge you to improve your skating (agility, balance and power), as well as focusing on shooting, passing and stickhandling. These sessions will focus on individual skills with some integration of positional play and scrimmages. If you are ready to take your game to the next level, this is the perfect opportunity for you!

**Camp Instructors:** Jim McTaggart, Jamie Huscroft & Kevin Quinn

Jim and Jamie bring their experience playing in the NHL and coaching at elite levels directly to you. Both have been coaching and instructing with Hockey Educational Systems since its inception and have taught players of all skill levels to improve their game.
